Music Intent

At Woore, we aim to engage and inspire pupils to develop a love of music. Our intention is that children will gain a firm understanding of what music is through listening, singing, playing, evaluating, analysing and composing across a wide variety of historical periods, styles, traditions and musical genres. This achieved through our collaboration with Shropshire Music Service (SMS) and the adoption of the SMS progressive curriculum. Pupils are given the opportunity to develop their skills as musicians through the teaching of instruments and, as singers in whole school performances. In doing so we shall, increase their self-confidence, creativity and sense of achievement.
