## P.S.H.E. Intent

At Woore Primary and Nursery School, we help our children to develop the knowledge, skills and attributes they need to manage life's challenges and make the most of life's opportunities. Our P.S.H.E. curriculum aims to help them to understand how they are developing personally and socially, as well as tackling many of the moral, social and cultural issues that are part of growing up. Our small school allows us to deliver a tailored curriculum, in a caring and nurturing environment, which meets the needs of our children. Wherever possible we seek to enhance our curriculum through hands-on experiences such as Forest Schools, Sporting events, Bikeability, Balancability and a broad variety of educational visits. Visiting professionals such as the NSPCC, school nurses, police officers, Dogs Trust and Shropshire Fire and Rescue Service also help to support our curriculum.

We deliver our scheme of work through the Kapow curriculum. This ensures children understand the importance of: caring friendships; respectful relationships, being responsible and physical health and mental wellbeing. As part of this, we emphasise the importance and necessity of staying safe, including knowledge of: computer safety; drugs, alcohol and tobacco; basic first aid and changing adolescent bodies. Our children will also learn about living and growing within our world and our working world.
