

Friends of Woore School (FOWS) – Who we are and what we do

Friends of Woore School (FOWS) is a small charity with a big heart, created to raise funds that help make life at **Woore Primary School** even more exciting and enriching for our children.

Every penny we raise goes straight back into supporting the children in enrichment activities — from **upgrading Forest School equipment** to **helping cover the cost of transport for school trips** and other wonderful experiences that create lasting memories.

We love bringing our community together through **fun, family-friendly events**. Over the past year, these have included the **Summer Fête** and **Halloween Party**, and we've got lots more planned! You'll find us at the **Christmas Fair on 22nd November**, helping to host **Movie Night on 6th December** alongside **The Woore Victory Hall**, and running a **Family Christmas Party on 19th December, all at The Victory Hall**.

You can keep up to date with everything we're doing on our **Facebook page: (1) [Facebook](#)** and the school will also share our updates in their newsletter.

Our aim is simple: to **bring people together to create a community spirit anyone would be proud to be part of**, to **create wonderful memories**, and to **raise funds that directly benefit the children of Woore Primary School**.

Going forward, we'd love to have a more visible presence within the community and to be open about what we're fundraising for and how your support is being used. We'll also be in touch in the new year to find out what events you would like to see.

We're so fortunate to have such caring families, neighbours, and local businesses in and around Woore. There are many ways to help — whether it's **volunteering your time, donating items or prizes, sharing a skill**, or simply **joining in the fun** at one of our events, so please support us however you can.

And remember — **everyone is welcome!** You don't need to have children at the school or even live in the village to get involved. Together, we can continue to build the warm, supportive community spirit that makes Woore and surrounding villages such special places to live and grow.
