## End of Year Message

What a wonderful year of learning, fun and progress! We have loved watching the children learn and grow and enjoy the many activities on offer. A very **big thank you** to all the school staff, governors and of course parents for taking a huge part in their journey to the next phase. We look forward to the year ahead and welcoming your children back in September.

Goodbye Year 6!

## Goodbye & Good Luck Year 6

A beautiful and moving leavers' assembly yesterday Y6, you have made us very proud to have been part of your educational journey. We know you are now ready for that next step, even though it may feel a little daunting. You have all grown in confidence so much this year and we are confident you will continue with your successes.

**Goodbye, we will miss you!**

## Fun Day

A Fun Day

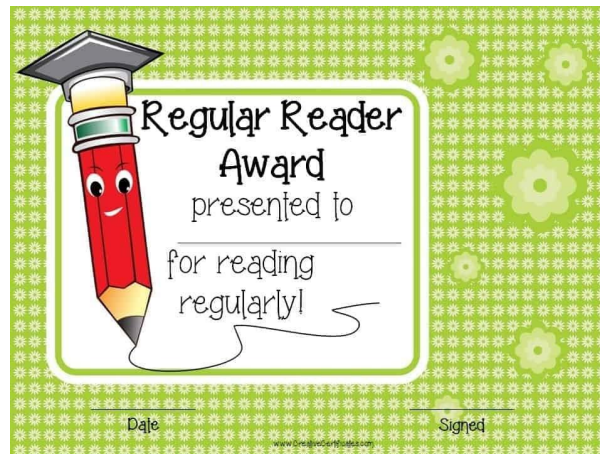

The children had an amazing time at our funday on Wednesday, what great fun they had!  
The smiles say it all!

## Awards Assembly

A very big **Well Done** to all the children who received an award at yesterday's awards assembly, you have all done amazingly well! We are so proud of all children in school and how they have progressed and grown over the year in all different ways. Keep up the hard work children!

## Regular Readers Draw

## New website-September

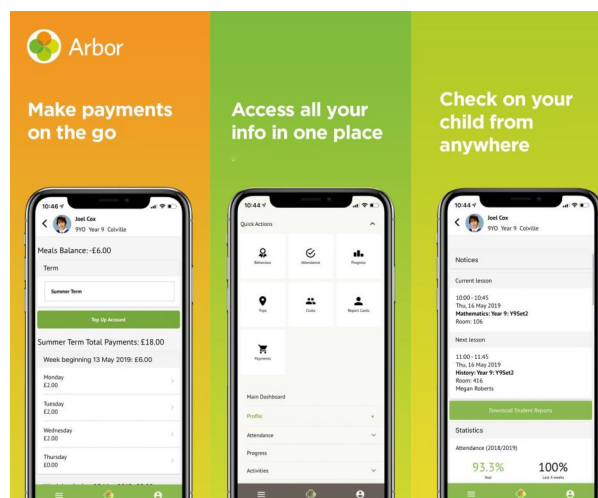

As previously mentioned, we are having a new website in September to replace the current website. I believe the current website may still be live until 8th September and will then be

taken down. Our new website is currently been populated with everything from the current website and this will continue to be the case over the holidays. All information should be carried across by 1st September. The website address is: [woore.school](https://woore.school)<sup>1</sup>

## Arbor App arrangements

In September we will no longer be using the School Spider app and our website will be changed also. All of our communications will come through Arbor. Arbor will also be used for all school payments and parents evening bookings etc.

Please ensure that you download the app prior to September as messages through our usual system Eduspot have now ceased.
