Harvest Festival

It was lovely to see you all this morning at our annual Harvest Festival. The children enjoyed taking part and preparing for the event.

Thank you to everyone who donated items for the Harvest display in church which will later be taken to Market Drayton Food Bank following the Harvest Church service on Sunday.

Hello Yellow Day

We would like to invite everyone to come to school dressed in yellow (outfit or an accessory) on Thursday 10th October to mark 'Young Minds Mental Health Awareness Day.' The campaign is called #helloyellow and is aimed at raising awareness and understanding of young people's mental health. We will be doing activities in school on that day in the classrooms and during forest schools (Class 1 and 2 please bring kits as normal).

Cool Cats

Our **Early Years** programme introduces infants aged 2-4 into physical activity.

We ensure that every child's journey is progressed in a controlled manner specific to their physical and mental maturation.

This is accomplished through integrating EYFS guidelines into our visionary activities - leading to sessions which capture the imagination of all children who participate.

COOL CATS

Outcomes Are Reinforced Through Five Units:

Gross Motor Movement

- ✓ Travelling efficiently
- ✓ Controlling the body
- ✓ Negotiating space

Manipulation Of Objects

- ✓ Throwing objects at targets
- ✓ Moving objects through obstacles
- ✓ Striking balls towards targets

Hand-Eye Coordination

- ✓ Tracking/stopping objects
- ✓ Control when throwing/kicking
- ✓ Successfully receive objects

We have used Cool Cats for several years for provision to our under 4s. The delivery of session is varied, challenging and we receive planning which aligns with our topics. We would highly recommend the team.

Julie Trethewey | Owner:
Southlands Nurseries

And the benefits are not just exclusive to physical development:

Introduces new ideas and concepts that practitioners can utilise

Develops and reinforces friendships through problem solving & teamwork

Opportunities to implement assessment with practical observation

Creates positive role models through external influences

Body Shape Development

- ✓ Jumping/landing at different levels
- ✓ Holding basic shapes
- ✓ Complete simple movement phrases

Game-Play Development

- ✓ Following basic rules when playing
- ✓ Awareness of others/space
- ✓ Observe the effects of activity on the body

From Only **£35** Per Session

Cool Cats has made a huge difference to our children's physical development as well as improving their confidence and self-esteem. Their team always have something positive to say about each child's achievements and support those who need a little extra help! They are friendly and approachable, and fully committed to supporting children in reaching their goals. We have found Cool Cats to be a reliable and professional company to work with.

Sally-Anna's Day Nursery

Our delivery is underpinned by focusing on the development of basic movement components and cognitive processes within a challenging and enjoyable environment.

This is achieved by stimulating children through a pathway that facilitates exploration and creativity whilst extending their ability to gain confidence and improve communication skills.

These objectives are incorporated through novel resources and innovative themes:

- Numeracy
- Literacy
- Animals
- Shapes
- Places
- Buildings
- Colours
- Body Parts

Children in Nursery started their 'Cool Cats' early years physical activity sessions last week with one of the sports coaches from ASM sports. As you can see from the attached posters, there will be lots of new skills for the children to learn in their upcoming sessions. The sessions take place weekly each Monday morning for a further 9 weeks until the end of October.
