## Happy Christmas

I would like to take this opportunity to wish you all a very happy Christmas and New Year! I hope you all have a very much deserved break and enjoy some valuable family time over the festive season.

It has been a very busy term which has seen many additional opportunities for the children to extend their learning and take part in some valuable and memorable school experiences.

Most recently, the children have enjoyed taking part in the Christmas plays, Christingle service, enjoying their Christmas parties and dinner and experiencing a live panto/theatre production. These are experiences that we hope children (and parents) remember for years to come. Thank you all for all your support with costumes, fundraising and presence at these events.

As we enter the new term we will take a fresh focus on the children's learning and continue to build on their strengths and areas for development as we progress through the spring term.

We are looking forward to joining Collective Vision Trust at the beginning of February, all is still on track for a February 1st transfer. Many arrangements are taking place behind the scenes for a successful start, including new IT hardware for staff and pupils and fibre broadband. Much will remain the same for pupils and parents, although the pupils will notice a positive difference to the IT provision in school with all class 2 and 3 pupils having their own ipad and class 1 having their own set of ipads to share.

Merry Christmas Everyone!

Mrs Ward

## Fundraising

The Cauliflower Cards fundraising project has raised a total of £105.50 for school funds. Thank you to all who have bought cards and related Christmas wrapping and gifts.

The Christmas Jumper day has raised a total of £35.70 for Save the Children. Thank you for your donations for this worthy cause.

Our Christmas play events have raised a total of £378.00 for school funds. We will let you know what we have chosen to spend this on in due course. Thank you all for your generous donations!

## Clubs for Spring 1
