## Arthog Parents Meeting Y5/6

**Arthog Parent's Meeting!** This will take place on **Wednesday 9th April at 4.30pm** for children in Y5/6. Mr Dennett will be running through a presentation on what to expect and arrangements for the residential visit. This is particularly important for those parents in Y5 who have not had an older sibling attend Arthog previously. See you there!!

## Police Visit to Class 2

Last week we had a special visitor in Class 2, PC Stephen Robinson. The children had the opportunity to learn about how to stay safe in and out of school and what to do if they feel worried about anything. The children were reminded about talking to trusted adults if they feel worried and were also told about 'safe strangers' should they be out in the community and a situation worries them.

## Healthy Snacks/Sweets

Just a gentle reminder that the children should only be bringing healthy choices for their snacks, some children have been bringing in chocolate biscuits, crisps etc. Please help us to encourage healthy eating habits. Thank you!

On another note, we would ask that children do not bring sweets to share with other children at the end of the school day unless there is a special occasion such as a birthday. Many thanks!

Mother's Day- Sip and Paint

What an amazing turn out on Monday from our mums and grandmas! Thank you for popping along to paint with your children and enjoy some light refreshments!

Class 2 visit to Wroxeter

Class 2 had an amazing day at the Roman city of Wroxeter, near Shrewsbury. Guided by Robertus, a Roman civilian, we received an insight into daily life in a Romano-British town. We explored the bath houses, the forum and shops. In the afternoon, we made a replica Roman coin and explored a Roman villa too!

## Neurodiversity Day

This week, Eira, Jake and Liv came to school to share with us their experiences of living with Autism / ADHD. They worked with each class to give us a fantastic insight into how life can be with these conditions, how they can manifest differently in different people and what we can do

to support people who might be struggling. Each class enjoyed a workshop tailored to their level of understanding, and children also worked in small groups to create sensory regulation keyrings. Thank you so much Eira, Jake and Liv for sharing a snapshot of your daily lives with us.
