- Arthog Y5/6
- Class 1 trip
- Diary Dates
- Hot Chocolate Friday
- Daily Mile Star
- Noticeboard

## Welcome back!

Welcome back to a brand new term, which thankfully, so far is proving to be a warmer one where children can enjoy playing outside in the sunshine. We have a busy term ahead with some fantastic experiences for the children, especially for children in Y5/6 who are off to Arthog for half a week just before half term. It is a very short half term of only 4 weeks which I'm sure will fly by very quickly.

We have been very excited this week to receive our sets of ipads for the classrooms, the children in classes 2 and 3 have been watching the technicians with anticipation and can't wait to get their hands on their very own ipad. We are pleased to say that we now have our new Zen line fitted so that we can receive superfast broadband. We have also had a new telephone system installed with phones in all classrooms for internal use and hands free phones for use in the forest and in after school clubs should parents need to make contact when the office is

closed. The staff are excited to be using their new Macbooks and our hall has also been equipped with a new projector.

You will have noticed that we have had a makeover over the Easter holidays with new windows to most areas of the original building and new fencing down at the forest school and around the nursery play area. This has made a huge difference to the grounds and has helped to make our playground much safer for the children.

## VE Day Celebration lunch

On Thursday 8th May, Mrs Spragg will be preparing a special VE Day lunch which (fingers crossed) will be held outside on the playground. The lunch will include:

- A range of assorted sandwiches
- Sausage roll
- Breaded chicken goujons
- Crisps
- Cake

If your child wishes to receive a cooked lunch on this day, please book a dinner on School money in the usual way.

# Sun Safety

## Sun protection

healthdirect

				
<b>Slip</b>	<b>Slop</b>	<b>Slap</b>	<b>Seek</b>	<b>Slide</b>
on protective clothing	on SPF30+ or higher sunscreen	on a hat	shade	on sunglasses

 **Concerned about a sunburn?**  
Use healthdirect's Symptom Checker to get advice on when to seek medical attention.

You will certainly have noticed that the weather has been very hot this week, it is great to see lots of hats and sun cream amongst the pupils. I believe the weather is due to cool down, but it won't be long (fingers crossed) before the next warm spell. Please ensure your child brings a hat to school, has a water bottle and has sun cream applied before the start of the school day. Pupils may bring sun cream to school but we ask that school pupils to apply themselves.

## Fill a Jar-Non-Uniform day

**On 20th May** we will be holding a **non-uniform day in return for a filled jar** for the Friends of Woore (FOWS) jar stall at this year's fete. Jars can be filled with sweets, toys and other interesting items that children would love to win.

**SAVE THE DATE!- The fete will take place on Saturday 28th June 12.00-3.00pm**

## Y6 SATs

Children in Y6 will be sitting their SATs exams between Monday 12th to Thursday 15th May. We wish all the children the very best, they will be amazing.

Mr Dennett will get in touch with parents shortly to arrange an earlier start for a special breakfast on those days.

## Phonics Screening Check-Y1

The Phonics Screening check for children in Y1 will take place during the week of 9th June. The children are doing amazingly well in their lessons and its all part of the course for them, absolutely nothing to worry about!!

Arthog-Y5/6

Our Y5/6 children will shortly be going on their residential visit to Arthog Education Centre in Wales (21st-23rd May). This is always a highlight of the year where they have the chance to take part in a range of outdoor educational activities, such as rock climbing, gorge walking and canoeing. Not only does the visit provide rich outdoor experiences, it also provides an amazing opportunity for children to spend time away from home and learn how to become more independent and responsible young people.

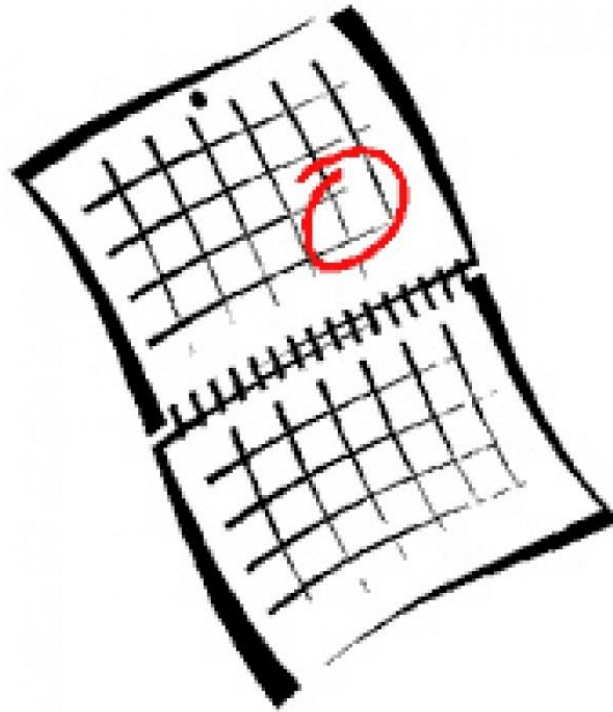

Whilst the Y5/6 children are away with Mr Dennett, Mrs Battrick and Miss Pegg, children in Y4 will be joining the class two children for the three days. If parents have any questions regarding this, please get in touch with Mrs Ward or Mr Dennett.

## Class 1 Trip to Shrewsbury Museum and Art Gallery

On Wednesday 21st May, Class 1 will be visiting Shrewsbury Museum and Art Gallery as part of their work in English related to the book 'The Curious Case of the Missing Mammoth'. As part of the visit there will be a workshop followed by a tour of the gallery. Please ensure all contributions are made prior to the visit day, thank you!
